PUBLIC HEARING NOTICE
KATRINA SUPPLEMENTAL COMMUNITY DEVELOPMENT BLOCK GRANT FUNDS**

The City of Gulfport, Mississippi is considering applying to the Mississippi Development Authority, Disaster Recovery Division for an amendment to the scope of activities proposed in their Katrina Supplemental Community Development Block Grant for Streetscape Improvements. These funds must be used for one of the following purposes:

1. to benefit low- and moderate income persons;
2. to aid in the prevention or elimination of slums and blight; or
3. to meet other community development needs having a particular urgency because existing conditions pose a serious and immediate threat to the health or welfare of the community where other financial resources are not available to meet such needs.

The proposed amendments to the existing Katrina Supplemental Community Development Block Grant Streetscape Project will be discussed at a public hearing to be held at the City of Gulfport City Hall Council Room, 2309 15th Street, Gulfport, MS on Monday, April 4, 2011 at 10:00 A.M. The purpose of the hearing will be to obtain citizen input into the development of the proposed amendments to the existing project.
